HEAT PUMP SERVICE

APPLICABILITY:

This rate is applicable to all farm, village and seasonal residential consumers of the Cooperative, subject to the Cooperative's Rules and Regulations, where the Consumer permanently installs and uses an electric heat pump as the major source of heating and cooling of the residence. The Consumer must inform the Cooperative in writing of the equipment installation and receive approval by the Cooperative for the installation. The Cooperative may require a visual inspection of the installation prior to its approval. In addition, the Consumer agrees to allow and pay for the installation of a separate meter to measure energy use applicable to heat pump equipment. Service under this schedule is limited to individual motors up to and including ten (10) horsepower unless motors are of a type approved by Cooperative.
