In Case of an Outage

If your electricity is off for more than a few minutes, call 800-407-2217. Office hours are 8 a.m. to 5 p.m. After-hours calls will be answered by the dispatch and standby personnel.

24-hour Electrician Service

If you are without electricity or have an electrical emergency on your side of the meter, we have a master electrician on staff available 24 hours a day.

Lane-Scott Staff Achievements

Lane-Scott's (from left) Chad Rupp, Kevin Bradstreet and Mark Lewis recently completed Transformer and Metering workshop.

Lane-Scott recognizes the recent accomplishments of four of our employees.

CHRIS TERHUNE recently completed his Journeyman Lineman Course.

"It feels good to finally complete the four year course and be a Journeyman Lineman," Terhune said.

CHAD RUPP, KEVIN BRADSTREET and **MARK LEWIS** attended the recent Kansas Electric Cooperatives, Inc. (KEC), Transformer and Metering workshop at the Kaw Valley Electric Cooperative headquarters in Topeka.

The workshop provided a continuing-education opportunity to employees of 17 member co-ops. The event helped to further workers' careers to help them stay current in the industry.

"Having linemen from across the state learning together was really

great," Lewis said.

The classes covered a variety of topics including transformer connections, three-phase metering, troubleshooting, and meter installation. The instructors were brought from cooperatives from both in-and out-of-state.

Attention High School Sophomores and Juniors

John Clarke (right) and Sarah Mulville stand in front of the Capitol in Washington, D.C. They were among the 31 Kansas delegates that took part in this year's "Government in Action" youth tour.

Morgan Lawrence (left) and Kate Hagans embrace the camp experience and enjoy the view on top of Mount Werner in Steamboat Springs, Colorado.

Lane-Scott Electric Cooperative will be offering free trips for up to four children of Lane-Scott Electric members.

- ▶ Two winners will be chosen to join over 1,500 young people in Washington, D.C., for the "Government in Action" Youth Tour June 9-16. He or she will fly to our nation's capital to visit with government officials and the many historic sites.
- ▶ Two winners will be chosen to attend the Cooperative Youth Leadership Camp in Steamboat Springs, CO, July 9-15.

Winners will stay at the scenic Glen Eden Resort in the beautiful Rocky Mountains. Lane-Scott's winner will join others from cooperatives in Kansas, Colorado, Oklahoma, and Wyoming to form one of the most outstanding leadership camps in the country.

This trip is open to any sophomore or junior whose parents are

members of Lane-Scott Electric Cooperative.

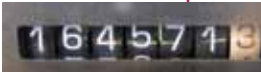

To apply for this trip, applicants must submit a 200-word essay that answers the question: "How have the services from Lane-Scott Electric Cooperative, Inc., made our lives better?" **The essay must be in our office by March 15, 2011.**

The winners will also be asked to present a short speech on their trip at the Lane-Scott Annual Meeting in July.

The Board of Trustees of Lane-Scott feels that education of our youth about the operation and structure of cooperatives is important to their future. The youth of today will be the leaders of tomorrow. The more they are aware of how the cooperative works, the better off our country will be.

If you have any questions or concerns about either trip, please contact our office and ask for Earl Steffens or Bob Venters.
