In Case of an Outage

If your electricity is off for more than a few minutes, call 800-407-2217. Office hours are 8 a.m. to 5 p.m. After-hours calls will be answered by the dispatch and standby personnel.

24-hour Electrician Service

If you are without electricity or have an electrical emergency on your side of the meter, we have a master electrician on staff available 24 hours a day.

61st Annual Meeting Highlights

The Lane-Scott Electric Annual Meeting was held on July 12 at the Lane County Fairgrounds. A crowd of nearly 525 guests were served a meal by Stan Hoss BBQ of Ness City.

Incumbent Trustees Ed Gough, representing Lane and Gove counties; Paul Seib, Jr., representing Ness and Rush counties; and Richard (Dick) Sorem, representing Finney and Hodgeman counties; were re-elected to the Board of Trustees of your cooperative. General Manager, Earl Steffens, gave his report on the state of Lane-Scott Electric Cooperative.

Earl Watkins Jr., CEO of Sunflower Electric, was the guest speaker. Earl thanked the crowd for allowing him to serve in his capacity for the past 34 years and stated that Sunflower would continue to work to make Holcomb II a reality so they can continue to provide reliable base load power at the lowest possible cost.

Free carnival rides were enjoyed by the crowd, and many door prizes were given away.

Guest speaker Earl Watkins Jr., Sunflower Electric's CEO, addressing the crowd.

Jax Blackwell "patrols the line" at the 61st Lane-Scott Electric annual meeting.

Stan Hoss BBQ crew sets up to serve.

Board President Dick Jennison presents Ed Gough with a watch for serving 15 years on the board of trustees.

3. The Berndt children enjoy the free rides provided by the Lane County Amusement Association.
4. From left: CJ Shaffer and John Clarke receive plaques of appreciation for their service on the Junior Board of Trustees.
5. Earl Steffens gives the annual managers report.
6. Stuart Lowry, Executive Vice President/General Counsel of Kansas Electric Cooperatives, Inc., talks to the members about the grassroots program.

Tip of the Month

One of the easiest ways to make your home more energy efficient is to add insulation in the attic. To see if you need insulation, look across an uncovered attic floor. If the insulation is level with or below the floor joists, you probably need to add more. **Source: Energy Star**

Thank You Notes

Kate Hagans (fourth from right) soaks her feet in a fountain while in Washington, D.C., on Youth Tour.

Dear Lane-Scott,

From the moment I left my farm for Washington to take off in the plane with butterflies in my stomach, I knew how exciting this trip would be. It really does feel like living a fairy tale dream. This afternoon when I was soaking my feet in the Sculpture Art Garden fountain, I was thinking of ways to get more kids to send in essays for this trip.

I will assure you that I will tell more people about the trip. Thank you SO much!

Sincerely,
Kate Hagans

Dear Lane-Scott,

Thank you SO much for sending me to Washington, D.C.!

It was an outstanding opportunity to not only educate myself on our nation's history, but to also meet tons of people from across the U.S. I really appreciate it. Truly, a once in a lifetime experience.

Sincerely,
Hannah Speer
