Lane-Scott Receives No-Lost-Time Safety Award

Lane-Scott Electric was recently honored with a No-Lost-Time award for safety in the workplace.

Lane-Scott employees worked 511,699 man hours from January 1999 to December 2009, without a lost-time accident.

This recognition is the result of the employee staff's daily awareness of proper safe work procedures and using them on a routine basis. Safety for our employees and the general public is of paramount importance to the cooperative.
