VILLAGE STREET LIGHTING

APPLICABILITY:

This schedule is applicable for village street lighting service.

TYPE OF SERVICE:

Cooperative will install, own, operative and maintain the complete lighting installation. Lighting will be provided nightly from dusk to dawn controlled by a photo-electric relay.

All street lighting will be overhead, open-type wiring; no street lighting will be served by underground conductor. Wooden poles will be used for all street lighting.

MONTHLY RATE:

Consumer shall pay Cooperative each month for public street lighting service at the following monthly rate:

For 175-Watt light: $7.66 per lamp, per month.

The foregoing price is predicated upon an investment by Cooperative in such lighting equipment (including wires, wooden poles, fixtures and controls properly a part of such lighting system) not to exceed $100 per lamp. Consumer shall reimburse Cooperative for any cost in excess of $100 per lamp.

TERMS OF PAYMENT:

In accordance with the Rules and Regulations on file with the State Corporation Commission of Kansas as they currently exist or may be amended from time to time.
