

Lane-Scott Electric Cooperative, Inc.

Application for Operation of Member-Owned Distributed Generation Systems

This application should be completed as soon as possible and returned to the Cooperative in order to begin processing the request. Interconnection to the Lane-Scott Electric system may not begin until the application has been approved.

INFORMATION: This application will be used by Lane-Scott to determine the required equipment configuration for the Member interface. Every effort should be made to supply as much information as possible.

PART 1

MEMBER/APPLICANT INFORMATION

Name: _____

Mailing Address: _____

City: _____ County: _____ State: _____ Zip Code: _____

Daytime Phone: _____ Evening Phone: _____

Lane-Scott Electric Account Number: _____

.

PROJECT DESIGN/ENGINEERING (as applicable)

Company: _____

Mailing Address: _____

City: _____ County: _____ State: _____ Zip Code: _____

Phone Number: _____ Representative: _____

ELECTRICAL CONTRACTOR (as applicable)

Company: _____

Mailing Address: _____

City: _____ County: _____ State: _____ Zip Code: _____

Phone Number: _____ Representative: _____

TYPE OF GENERATOR

Photovoltaic _____ Wind _____ Microturbine _____

Diesel Engine _____ Gas Engine _____ Turbine _____

Other _____

Generator will be connected to Lane-Scott Electric system: Yes / No (circle one)

ESTIMATED LOAD, GENERATOR RATING AND MODE OF OPERATION INFORMATION

The following information will be used to help properly design the interconnection. This information is not intended as a commitment or contract for billing purposes.

Total Site Load _____ (kW)

Residential _____ Commercial _____ Industrial _____

Generator Rating _____ (kW) Annual Estimated Generation _____ (kWh)

DESCRIPTION OF PROPOSED INSTALLATION AND OPERATION

Give a general description of the proposed installation, including a detailed description of its planned location and when you plan to operate the generator. **Attach a single-line diagram showing the planned installation.**

The Member agrees to provide the Cooperative with any additional information required to complete the interconnection. The member shall operate the equipment within the guidelines set forth by the cooperative as detailed in the appropriate rate tariff. Interconnection may not begin until this application is approved by Lane-Scott Electric.

The member has been provided with the appropriate rate schedule tariff and understands the terms and conditions of the tariff.
